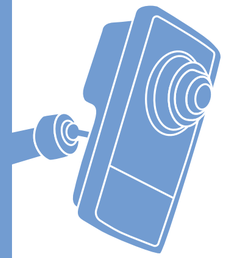
brivo onair®

THE SIMPLE AND SECURE
WAY TO OPEN DOORS.

PROTECT YOUR FACILITY FROM ANYWHERE WITH A MODERN ACCESS CONTROL AND VIDEO SURVEILLANCE SOLUTION.



Brivo Onair® combines access control and video surveillance to put you in control of your facilities. You can protect your people and property around the clock from anywhere and from any device. It's ideal for those looking to:

- Unlock doors remotely
- Monitor who comes into the building
- Manage multiple doors and locations
- Restrict access to certain employees at specific times

> "The ability to remotely remove a repairman's access to the building when a job was complete was the flexibility we needed. The system is very easy to use and the support is fantastic."
>
> President and Owner of
> CENTURY 21 Action Plus Realty

WHAT YOU CAN DO

- Manage access to your facility remotely 24/7
- Eliminate hidden maintenance costs
- Give or revoke building access instantly
- Enforce access control policies
- Monitor employee behaviors while offsite
- Save time—no more reissuing keycards

WHAT YOU GET

- Unlimited site, door and camera capacity
- Unlimited users and administrators
- Simple hardware installation
- Automatic notifications for any unusual behavior
- Real-time activity alerts for access granted or doors being held open

WHY BRIVO

Over 10+ million users and 15 years experience

Single interface for multi-location management

Cybersecure with stringent fail-safes in place

Automatic software and security updates

Simple to use, no IT experience necessary

Customer support and maintenance included

> I didn't want to deal with the hassle of making sure all the computers had the latest versions of software. The Brivo system made it easy.
>
> Director of Technology

> Our residents appreciate the mobile solution, and our employees can now focus on delivering a great resident experience.
>
> Community IT Manager, Lifestyle Communities

> We've managed to monitor a suspicious individual in the lobby of one of our buildings and even viewed another in the act of theft after installing Brivo Onair Video.
>
> Director of Global Physical Safety & Security Operations at DocuSign
